## MEMORANDUM

TO: Consolidated and Non-Consolidated Agency Chief Information Officers  
and Chief Financial Officers

FROM: Ted Hasara   
CFO, CMS BCCS

DATE: August 29, 2008

SUBJECT: FY09 SSRF Rates Update

---

We are currently in the process of finalizing rate changes for the services to be provided by BCCS and billed through the Statistical Services Revolving Fund in Fiscal Year 2009. The most significant change for consolidated agencies will be the elimination of IBiS billings and the introduction of new rates for services billed through IBiS in the past. Other rates will also be adjusted based on our cost recovery analysis for FY08.

Until these new rates are finalized, we will bill at the FY08 rates with no IBiS billings. The new rates will be applied retroactively to July 1, 2008, so you may see credits or additional billings the first month they are in effect. We would appreciate your prompt payment of these invoices, as our ability to pay the employees and vendors that provide services to you depends upon it.

We will send out details on the changes once the rates are approved. We will also make ourselves available for meetings to discuss the changes. In the meantime, if you have any questions, please contact me at (217) 557-1966 or [ted.hasara@illinois.gov](mailto:ted.hasara@illinois.gov). Thank you.
